**MED GATE**  
CEUTA  
SHIPYARD - REFIT

Med Gate Ceuta is a new state of the art Refit and Repair centre for Yachts located in a key maritime position: The strait of Gibraltar.

Being in a Tax free zone within the Spanish territory gives yachts the advantage of not paying Tax.

Being within a Freeport fuel prices are low.

We have a 350Tn travel lift.

We can berth 15 Yachts up to 45 meters.

We have a total yard space of 12 000 sqm.

We have two state of the art fully covered sheds, equipped with a 5Tn bridge crane, capable of fitting yachts up to 42 meters.

We supply a full refit facility where all services are provided by skilled and experienced staff as well as contractors.
